

KOGARAH BAY PROGRESS ASSOCIATION

FOUNDED 1921

ST GEORGE MOTOR BOAT CLUB

2 Wellington Street, Sans Souci: DA2023/0478

View from Plimsoll Street (south) looking west towards Princes Hwy and Tom Uglys Bridge

Send a submission to
Georges River Council by
6/12 to stop an unsightly
two-storey carpark from
being built here!

You may be aware that the St George Motor Boat Club has submitted a DA to Georges River Council with plans to expand the club. Whilst the Kogarah Bay Progress Association supports the club being refurbished and modernised, the Association Members feel a number of details are cause for concern, the main ones being the proposed two-storey carpark and the marina expansion.

An unsightly carpark will block the stunning view of the bay for residents, but also for visitors; people who walk, jog and walk their dogs in the area.

We know that parking is a problem for many of you but the proposed carpark will only provide an additional 69 spaces.

So that the stunning vista can be preserved for all to enjoy, we urge you to write to Georges River Council asking for the DA not to be approved and to insist that other parking options are explored, including an **underground carpark**.

To read about the issue, read our submission and download a Word template to help you write your own letter to Council, please scan the QR code or visit:

kogarahbayprogress.org.au/st-george-motor-boat-club

Submissions must be received by 5pm on Wednesday 6 December and should be sent to: mail@georgesriver.nsw.gov.au.

Let us work together to ensure the spectacular views remain accessible to all and for many years to come.

Thank you to the residents who brought this to our attention.

Yours sincerely,

Jeff Powys - Kogarah Bay Progress Association President

Join Us

The Kogarah Bay Progress Association holds monthly meetings. Come along to have your say about the things that matter to you.

When:
First Wednesday of each month (no meeting in January)

Time: 7.30pm

Where:
Kogarah Hub
49 English Street
Kogarah
